Memo No. Ch-90 /EG-327/1992/Vol-III.

Dated : 17-2-95.

Subject : REVISED SENIORITY LIST OF AE'S (ELECTRICAL). AS IT STOOD ON 31-7-84.

This is in continuation of this effice mems No. Ch-297/EG-327/1992/Vol-II dated 10-12-93 vide which the revised tentative seniority list of Assistant Engineers (Electrical) as it stood on 31-7-64 was circulated.

The issue of finalisation of seniority water under consideration with the Board when some officers moved to Punjab & Haryana High Court against the revised tentative seniority list. The Hon'ble Punjab & Haryana High Court while delivering Judgement dated 15-3-94 in Civil //rit Petition No. 54 of 1994 in the case of V.K. Gandhi etc. Vs. HSES, it has been laid down that the seniority list of Assistant Engineers may be finalised after affording the opportunity of personal hearing to concerned individuals. Accordingly, the then MAPF fixed dates of hearing on 17, 18 and 19 May 94 and concerned officers whose representations/writ petitions

1

were pending in the Board/Courts were informed. The officers who could not come for personal hearing on stipulated dates, were given the opportunity of personal hearing on 7-6-94.

- 3. After hearing the concerned officers/groups, MAPF placed his view before the Board. The Board in its meeting held on 29-6-94, considered the matter at length and laid down the guidelines for finalisation of seniority of AEs as it stood on 31-7-84. These guidelines have been framed keeping in view the provisions of the Regulations/Instructions in this regard and their amendments from time to time.
  - 4. The guidelines on which the seniority of 45s has been determined are re-produced below:-

State of the security of the s

- a) The calculation of promotion quota posts has been made at 28% of the posts becoming available on or after 10-11-72 and upto 0-8-74 i.e. the date on which the quota for promotion posts was again enhanced, thereafter only for the posts becoming available on or after 9-8-74 on the basis of percentage fixed for the purpose and subsequent changes made in percentage for promotion quota posts viz-a-viz the number of posts becoming available during the relevant period. The posts available in BCB/BBMB/UT falling to the share quota of HSEB have also been taken into account for calculating the number of posts available for being filled up by promotion.
- b) The seniority of AMIE/BE qualified Engineering Subordinates who were promoted against direct share quota posts have been given the date of promotion when the share quota posts of promotion for AMIE/PE category become available. No benefit of service of promotion against the posts meant for direct recruits has been allowed.
- c) 4MIS/9E Degree Holders who have been selected against direct quota posts have been assigned seniority in accordance with their marit position determined by the Selection Committee.
- d) Seniority list has been finalised on the basis of Regulation-15 of PSEB Service of Engineers(Electrical) Recruitment Regulation-1965(as applicable to MSFB) read with Regulation-9.
- e; The determination of seniority for the officers promoted to the post of AE on the basis of their AMIE/PE qualification has been made from the date

54/. ~

of rassing AMIE/BS examination and not from the date of joining in the feeding cadre. This principle has been upheld by the Hon'ble Punjab and Haryana High Court in their Judgement in CTP No. 2584/87, CTP No.2244/86, CMP No. 3275/87 and CMP No. 9357/90 in the case of Sh. Charanjit Singh Nanda etc., Sh. Vijay Kumar Garg etc., Sh. Ashwani Talwar etc. and Sh. Prithvi Singh etc., respectively. The criterion of experience has been kept in view for determining the seniority of these officers as per instructions inforce at the relevant time.

- f) The Engineering Subordinates who had/higher qualification of AME/BE before joining the Board, has been considered for promotion and allowed seniority as per share quota posts available at the relevant time. A person who entered the lower cadre on the basis of seperior qualification (more than the basic qualifications needed for that cadre) has not been denied benefit of further promotion only because he happens to have acquired those qualifications before joining in the feeding cadre.
- g) The record of service for promotion from the post of JE to AE has been taken into consideration. The promotions have only been allowed after the mandar tory requirement of satisfactory record are fulfilled by the officers.
- h) G.T. As appointed earlier and promoted as AE without fulfilling the various conditions laid down in their appointment letter as GTA have been considered for appointment as AE only after they fulfilled all the conditions laid down in their appointment letter and not before.
- j) The benefit of adhoc service as 45 has not been given for fixing the seniority as mer instructions of the State Govt. dated 16-11-73 and various rulings of the Hom'ble Punjah and Harvana High Court in CIP No. 8/1981 and CIP No. 413/1981 in the case of Sh. O.P. Manchanda etc. and Sh. R.D. Jain and others.
- k) The officials who were working in the lower cadre and subsequently joined higher cadre as AE as direct recruits by improving their qualifications have been treated as direct recruits for all intents and purposes and their claim for promotional posts have not been taken into account.

5. The revise filtsbeniority list of AEs prepared on the hasis of above guidelines as decided by the Board in its meeting held on 20-6-94 is annexed at annexure 'A'.

- 6. The representations made by various officers at the time of personal hearing, before and after the hearing, have been considered and disposed off.
- 7. The revised seniority list is without prejudice to the various writ petitions pending in the different courts.
