Subject: Permission for appearing in Departmental Accounts Examination for Engineering Officers to be held from 04.10.2004 to 07.10.2004.

The subject cited agenda item was considered by the Board of Directors in its meeting held on 28.9.2004 and it was resolved as under:

"The Board of Directors considered the proposal for allowing extra chance to 3 No. Assistant Engineers for appearing in the Departmental Accounts Examination (DAE). The existing instructions and the past precedents were debated at length.

The Board of Directors laid down the following guidelines for dealing such cases in future:

- a) As per the existing instructions AEs are allowed four chances to clear their DAE, which can be extended upto 6 chances by the Whole Time Directors. In rare and exceptional cases, the Board of Directors may consider allowing two additional chances i.e. upto a maximum of eight chances on case-to-case basis.
- b) In case of the applicants mentioned in the Memorandum i.e. Shri Jai Ram, Shri Mohd. Muzamil and Shri P.K.Jagga, it was decided to permit them to appear in the next two sessions of Exams including the Exams to be held in October 2004, provided that the next chance (Exams likely to be held in March 2005) would be available to them only if the total chances availed by them have not exceeded eight.
- c) Assistant Engineers who fail to qualify the DAE within the maximum permitted chances as laid down above would be liable for the administrative action as per the Regulations i.e. termination notice/reversal notice would be issued to such AEs.
- d) These guidelines would apply to all the Power Utilities uniformly.

The Board of Directors further desired that syllabus for all the Departmental Examinations be revised by the Examination Committee on priority and placed before the Board of Directors for approval."

Further action in the matter may be taken accordingly and compliance be reported to this office on or before 14.10.2004 positively please
