7. That Engineer-in-Chief/OP, Hisar, the appointing and cadre controlling authority of JE/JI:-1 after completing all usual formalities required therein vide his memo no. Ch-3/CF/N/GEN/STY dated 01.09.2000 circulated the tentative seniority list of technical staff containing the seniority list of JI (F) ending 30.06.99 addressed to SF/Admn. UHBVN Panchkula duly endorsed to worthy MD UHBVN/DHBVN, CF: ‘OP’ UHBVN

- Panchkula/Rohtak and others duly accepted by CE 'OP' Panchkula vide his office Diary no. 11777 dated 19<sup>th</sup> September, 2000
8. It is relevant to mention here that the posts of trainee(s) JE were not the sanctioned posts rather the sanctioned/cadre posts were JE (F), JE (Sub-station), JE (Test), JE (Carrier) and JE (Gen) during the tenure of erstwhile HSEB and all trainee(s) JE joined HSEB w.e.f. 18.09.89 to 29.09.89 as such in view of the above admitted facts, the criteria of seniority of JE (F) was from the date of joining in the cadre i.e. JE (F) etc. instead of merger of merit list of trainee(s) JE Electrical/Mechanical/Electronics. Hence preparation of the seniority on the basis of merger of merit list of trainee JE becomes in fruituous, as the appointing and cadre controlling authority orders referred in Para-4 above cannot be wrong which has been duly supported by Secretary HSEB PKL memo Ch-96/REG-137 dated 27.03.91 as well as by the committee headed by I.R HPU in its report.
  9. That MD UHBVN Panchkula vide his memo no. Ch-27/REG-99/UH/GA dated 14.01.2003 circulated the revised recruitment and promotion policy for non-gazetted technical staff by amalgamating the cadres of junior engineers and JE/Test vide notification no. 7/RI:G-99/UH/GA dated 14.01.2003 read with notification no. 3/RI:G-99/UH/GA dated 23.10.2002 vide which cadre of JE (Sub-station) was amalgamated with JE (F) which after amalgamation is called as Junior Engineers and their inter-seniority shall be determined on the basis of their date of joining as JEs in their respective cadres.

Since the appointing and cadre controlling authority orders referred in Para-4 above cannot be questioned as they have been duly supported in the clarification issued by Secretary HSEB PKL vide his memo no. Ch-96/REG-137 dated 27.03.91 further upheld by the Hon'ble Supreme Court in its judgment dated 07.01.13 which is duly accepted by the committee headed by LR HPU referred in Para-1 above. Kindly intervene in the light of justice and ADO may be requested to process the case and to grant revised seniority to the applicant accordingly as the matter is already over-delayed.

Keeping in view the above, the undersigned is aggrieved with the above seniority list and submit the following grievances i.e.

1. The joint seniority list (Generation + Field) cadre has now been prepared after 26 years. Which can't be accepted at this stage. As at the time of appointment as JE trainee the cadres were different. The JE Generation took the training in thermals (Generating Stations) whereas JE field has gone training in the field to maintain continuity of supply related work.

After training the respective (Generation & Field) Chief Engineers issued the orders according to their selection. The postings of JE Generation & Field are not transferable. And the same pattern was being adopted since 1967 i.e. creation of HSEB.

Accordingly it is humbly requested that separate seniority be maintained as it was followed before 1989.

The undersigned was promoted after completion of 2 year satisfactory JE field service. I was promoted as per the prevailing regulation at that time.

3. The seniority list has been prepared on the basis of marks obtained in the interview whereas, as per Secretary HSEB, Panchkula vide his memo no. Ch-96/RI:G-137 dated 27.03.91 further up-held by the Hon'ble Supreme Court in its judgment dated 07.01.13, the seniority should be prepared from the date of joining in the cadre.
4. That in response to the Advt. CRA-104 dated 13.08.88 issued by erstwhile HSEB regarding recruitment of trainee Junior Engineers electrical/mechanical/electronics undersigned appeared before the selection committee for recruitment of trainee JE Electrical in compliance of Secretary, HSEB Panchkula duly constituted selection committee completed the selection process of trainee JE Electrical, trainee JE Mechanical, trainee JE Electronics during February-1989 & recommended the selection separately for all the categories of trainees **based upon different upper cut-off marks.**
5. Worthy ACS (Power) issued office order no. 321 dated 12.04.2016 in compliance to the CWP No. 16330 of 2005 decided on 09.01.2014 vide which the seniority list of AE's has been finalized upto 14.08.1998.
- Aggrieved by the Office Order passed on the Judgement dated 09.01.2014 of CWP No.16330 of 2005 case has been filed by Sh. P.C.Saini XEN vide CWP No.14108 of 2016 challenging the said Office Order/ Judgement and the Hon'ble High Court Punjab & Haryana stayed the same on 25.07.2016. As per the stay granted in the above said case Utility can't change the seniority of AE's and as well as JE's.**

The Office Order No. 321 Dated 12.04.2016 becomes in fructuous and null and void.

Accordingly the tentative seniority list of JE's of 1989 batch onwards upto 14.08.1998 i.e. till the unbundling of the HSEB issued vide memo no. Ch-46/TIPG/Genl-119/loose dated 22.07.2016 by The MD, IPGCI., Panchkula addressed to The MD, HVPNL., Panchkula, The MD, UHBVN, Panchkula, The MD, DHBVN, Hissar, The Secretary BBMB, Madhya Marg, Chandigarh is also not maintainable.

Hoping for sympathetic consideration of the above grievance and in the mean while, Office Order No. 321 Dated 12.04.2016 should be held in the ambience please.

It is humbly requested that before finalising the seniority list personal hearing be given to me.

The subject cited clarification Ch-96/REG-137 dated 27.03.91 duly accepted by the committee in its reports quoting the reference of Hon'ble Supreme Court judgment dated 07.01.2013 at page-136 which is reproduced below. 3. That CE (OP) North HSEB Hisar appointed me as trainee JE on the following terms and conditions which is reproduced below.

“That you will have to undergo a training for one year on different works in HSEB at a fixed pay of Rs. 1400/- per month. After completion of the above said training you shall be considered for the appointment to the post of Junior Engineer on the basis of your work and conduct during the training period.”

Note: The trainee JEs are not covered under the sanctioned cadre posts.

4. That after completing all usual formalities required therein CE (OP) HSEB Hisar allotted the cadre of JE (F) to the trainee JEs.
5. That Secretary HSEB Panchkula clarified vide his memo No. **Ch-92/REG-137 dated 11.02.91** addressed to FA&CAO/MM, PTPP, HSEB, Panipat subject cited as **“Recruitment and promotion policy in respect of thermal staff – amendment thereof”** which is reproduced below:  
 “Please refer to your memo no. **CH-323/Gen** dated **07.12.90** on the above noted subject.
2. In this connection, it is clarified that period of training of the trainees of all categories is to be counted for all intents and purpose i.e. grant of increment in accordance with the provisions as contained in the policy, leave and **seniority i.e. from the date of joining in the cadre.**

Under Secretary/C&R  
 For Secretary HSEB Panchkula”

6. That Secretary HSEB Panchkula clarified vide his memo no. Ch-96/LUG-137 dated 27.03.91 subject cited as “Grant of regular pay scale to the trainees of all categories – clarification thereof”, duly admitted by the committee constituted by Principal Secretary Power-cum-Chairman HPU, headed by LR HPU at Flag-30 page 135/136 Para-k, which is reproduced as below:

“Para-3:- After considering the pros and cons of the case, it has been decided that the period spent by the trainee(s) of all categories on the training shall be treated as duty for all intents and purpose i.e. grant of increment in accordance with the provision as contained in the policy, leave and seniority i.e. from the date of joining in the cadre.

“Para -4:- The above instruction may be got noted from the concerned employee accordingly.

-sd-

Secretary HSEB Panchkula”

7. That Engineer-in-Chief/OP, Hisar, the appointing and cadre controlling authority of JE/JE-1 after completing all usual formalities required therein vide his memo no. Ch-3/CEN/GEN/STY dated 01.09.2000 circulated the tentative seniority list of technical staff containing the seniority list of JE (F) ending 30.06.99 addressed to SE/Admn. UHBVN Panchkula duly endorsed to worthy MD UHBVN/DHBVN, CE ‘OP’ UHBVN

Panchkula/Rohtak and others duly accepted by CE 'OP' Panchkula vide his office Diary no. 11777 dated 19<sup>th</sup> September, 2000

8. It is relevant to mention here that the posts of trainee(s) JE were not the sanctioned posts rather the sanctioned/cadre posts were JE (F), JE (Sub-station), JE (Test), JE (Carrier) and JE (Gen) during the tenure of erstwhile HSEB and all trainee(s) JE joined HSEB w.e.f. 18.09.89 to 29.09.89 as such in view of the above admitted facts, the criteria of seniority of JE (F) was from the date of joining in the cadre i.e. JE(F) etc. instead of merger of merit list of trainee(s) JE Electrical/Mechanical/Electronics. Hence preparation of the seniority on the basis of merger of merit list of trainee JE becomes in fructuous, as the appointing and cadre controlling authority orders referred in Para-4 above cannot be wrong which has been duly supported by Secretary HSEB PKL memo Ch-96/REG-137 dated 27.03.91 as well as by the committee headed by LR HPU in its report.

9. That MD UHBVN Panchkula vide his memo no. Ch-27/REG-99/UH/GA dated 14.01.2003 circulated the revised recruitment and promotion policy for non-gazetted technical staff by amalgamating the cadres of junior engineers and JE/Test vide notification no. 7/REG-99/UH/GA dated 14.01.2003 read with notification no. 3/REG-99/UH/GA dated 23.10.2002 vide which cadre of JE (Sub-station) was amalgamated with JE (F) which after amalgamation is called as Junior Engineers and their inter-seniority shall be determined on the basis of their date of joining as JEs in their respective cadres.

Since the appointing and cadre controlling authority orders referred in Para-4 above cannot be questioned as they have been duly supported in the clarification issued by Secretary HSEB PKL vide his memo no. Ch-96/REG-137 dated 27.03.91 further up-held by the Hon'ble Supreme Court in its judgment dated 07.01.13 which is duly accepted by the committee headed by LR HPU referred in Para-1 above. Kindly intervene in the light of justice and ADO may be requested to process the case and to grant revised seniority to the applicant accordingly as the matter is already over-delayed.

Keeping in view the above, the undersigned is aggrieved with the above seniority list and submit the following grievances i.e.

1. The joint seniority list (Generation + Field) cadre has now been prepared after 26 years. Which can't be accepted at this stage. As at the time of appointment as JE trainee the cadres were different. The JE Generation took the training in thermals (Generating Stations) whereas JE field has gone training in the field to maintain continuity of supply related work.

After training the respective (Generation & Field) Chief Engineers issued the orders according to their selection. The postings of JE Generation & Field are not transferable. And the same pattern was being adopted since 1967 i.e. creation of HSEB.

Accordingly it is humbly requested that separate seniority be maintained as it was followed before 1989.

2. The undersigned was promoted after completion of 2 year satisfactory JE Field service. I was promoted as per the prevailing regulation at that time.

3. The seniority list has been prepared on the basis of marks obtained in the interview whereas, as per Secretary HSEB, Panchkula vide his memo no. Ch-96/REG-137 dated 27.03.91 further up-held by the Hon'ble Supreme Court in its judgment dated 07.01.13, the seniority should be prepared from the date of joining in the cadre.

4. That in response to the Advt. CRA-104 dated 13.08.88 issued by erstwhile HSEB regarding recruitment of trainee Junior Engineers electrical/mechanical/electronics undersigned appeared before the selection committee for recruitment of trainee JE Electrical in compliance of Secretary, HSEB Panchkula duly constituted selection committee completed the selection process of trainee JE Electrical, trainee JE Mechanical, trainee JE Electronics during February-1989 & recommended the selection separately for all the categories of trainees **based upon different upper cut-off marks.**

5. Worthy ACS (Power) issued office order no. 321 dated 12.04.2016 in compliance to the CWP No. 16330 of 2005 decided on 09.01.2014 vide which the seniority list of AE's has been finalized upto 14.08.1998.

**Aggrieved by the Office Order passed on the Judgement dated 09.01.2014 in CWP No.16330 of 2005, a case has been filed by me vide CWP No.14108 of 2016 challenging the said Office Order/ Judgement and the Hon'ble High Court Punjab & Haryana stayed the same on dated 25.07.2016. ( Copy attached) As per the stay granted in the above said case, Utility can't change the seniority of AE's as well as JE's.**

The Office Order No. 321 Dated 12.04.2016 becomes in fructuous, null and void.

Accordingly the tentative seniority list of JE's of 1989 batch onwards upto 14.08.1998 i.e. till the unbundling of the HSEB issued vide memo no. Ch-46/HPG/Genl-119/loose dated 22.07.2016 by The MD, HPGCL, Panchkula addressed to The MD, HVPNL, Panchkula, The MD, UHBMVN, Panchkula, The MD, DHBMVN, Hissar, The Secretary BBMB, Madhya Marg, Chandigarh is also not maintainable.

Hoping for sympathetic consideration of the above grievances and in the mean while, Office Order No. 321 Dated 12.04.2016 should be held in abeyance please.

It is humbly requested that before finalising the seniority list personal hearing be given to me.

Respected Sir,

This is in continuation to my earlier representation dated 29.11.2014, 12.02.2015 and 03.08.2016 on the subject cited matter but the same was not considered. I again submit as under for kind consideration:-

1. That I was appointed as JE (Trainee) against advertisement no. CRA-95 extract of which is given below for perusal and consideration:-

Respected Sir,

Most respectfully, it is brought to your kind notice that we the followings were appo'nd as JE/Generation in December, 1987 & January, 1988 in erstwhile HSEB against advertisement no. CRA-95. This advertisement was for the post of JE/Field but we all were posted in Thermal Plants where as there was no policy for the appointment of direct JE/Generation in Thermal Plants.

It is pertinent to mention here that no option for the field cadre was obtained from our batch. We are the direct appointee JE/Generation & senior to the batch of JEs appointed in 1989 but no seniority is assigned to us in the revised seniority list made common before 14.08.1998 in view of the subject cited court case

In view of above, it is earnestly requested to your good self to get assign our seniority before the batch of JEs appointed in 1989 in the common seniority of JEs in erstwhile HSEB.

**Subject:** Request for re-assignment of "Common Seniority as JE from the effective date" in terms of decision dated 09.01.2014 of Hon'ble High Court Chandigarh in the case of Sh. Praveen Arora & others.

Respected Sir,

This is in continuation to our earlier representation dated 29.11.2014.

Most respectfully, it is again brought to your kind notice that we the following signatories were appointed as JE/Generation in November/December, 1987 & January, 1988 in erstwhile HSEB against advertisement no. CRA-95 (Copy enclosed). This advertisement was advertised for the post of 150 Nos. JE/Field but we all were posted in Thermal Plants whereas there was no policy for the recruitment of JE/Generation in Thermal Plants. All of us were appointed on merit basis and our selection list was sent to all the Chief Engineers of Thermal Plants by the then Chief Engineer /Commercial, HSEB Complex Sector-6, Panchkula vide his memo no. Spl (1 to 4) /PO dated 28.10.1987 (Copy enclosed). The seniority list of our batch was circulated by GM/Thermal Plants, PTPS, HSEB, Panipat vide memo no. Ch-136 (1-60)/EOM/G-229/J/Vo-II dated 01.10.1991. Some employees of the then HSEB have challenged the posting of JE/Field in the Thermal Plants in the Hon'ble Punjab and Haryana High Court, Chandigarh and so many similar CWPs were attached by the Hon'ble High Court, Chandigarh. The Hon'ble Punjab and Haryana High Court, Chandigarh decided the CWPs on dated 09.01.2014 in the case of Sh. Praveen Arora & others and ordered that the cases of the aggrieved employees and the similarly situated persons may be decided by the committee.

Now, it has come to the knowledge through reliable sources that the committee has submitted its report but our name has not been included in the common seniority list of JEs before 14.08.1998 inspite of the decision of Hon'ble Punjab and Haryana High Court, Chandigarh in the case of Sh. Praveen Arora & others.

It is pertinent to mention here that no option was obtained from our batch recruited against CRA-95. We are the direct appointee JEs & senior to the batch of JEs appointed in 1989 in the Thermal Plants but no seniority is assigned to us in the revised seniority list made common before 14.08.1998 in view of the subject cited court case.

In view of the above, it is once again earnestly requested to your good self to get assign our seniority before the batch of JEs appointed in 1989 in the common seniority list of JEs in erstwhile HSEB. Sympathetic and judicious consideration is again requested please.

Yours faithfully

Respected Sir,

This is in continuation to my earlier representation dated 29.11.2014, 12.02.2015 and 03.08.2016 on the subject cited matter but the same was not considered. I again submit as under for kind consideration:-

"The candidates will have to undergo training for one year on different works at a fixed pay of Rs. 570/- per month. On successful completion of the training they will be absorbed in the regular service of HSEB as Junior Engineers (Field) in the scale of Rs. 700-30-850/900-40-4100/50-1250 plus allowances as may be sanctioned by the Board from time to time.
2. That in view of above extract of CRA-95 I was to be absorbed in the regular service of HSEB as Junior Engineer (Field) but I was posted in the Thermal Plant, Panipat as JE/Generation in November / December 1987 and January, 1988. I joined as JE/Trainee on dated 14.01.1988.
3. That the options were obtained in the year 1988 from all the JEs working in all Power Stations for finalization of Cadre of JE (Filed Cadre/ Generation Cadre) but no option was obtained from me and my batch of 1987 /1988.
4. That my service was regularized on dated 13.01.1989 and posted in Thermal Power Station without taking any consent and option from me.
5. That the seniority list of my batch was circulated vide GM, Thermal Plants, PTPS, HSEB of Panipat office memo no. Ch-136(1-60)/EOM/G-229/J/Vol-II dated 01.10.1991 from Seniority No. 320 to 365.
6. That now your good office vide memo no. Respected Sir,

This is in continuation to my earlier representation dated 29.11.2014, 12.02.2015 and 03.08.2016 on the subject cited matter but the same was not considered. I again submit as under for kind consideration:-

1. That I was appointed as JE (Trainee) against advertisement no. CRA-95 extract of which is given below for perusal and consideration:-  
"The candidates will have to undergo training for one year on different works at a fixed pay of Rs. 570/- per month. On successful completion of the training they will be absorbed in the regular service of HSEB as Junior Engineers (Field) in the scale of Rs. 700-30-850/900-40-1100/50-1250 plus allowances as may be sanctioned by the Board from time to time.
2. That in view of above extract of CRA-95 I was to be absorbed in the regular service of HSEB as Junior Engineer (Field) but I was posted in the W.Y.C.H.E. Project BhudKalan (Yamuna Nagar), as JE/Generation in November / December 1987 and January, 1988. I joined as JE/Trainee on dated 01.07.1988.
3. That the options were obtained in the year 1988 from all the JEs working in all Power Stations for finalization of Cadre of JE (Filed Cadre/ Generation Cadre) but no option was obtained from me and my batch of 1987 /1988.
4. That my service was regularized on dated 21.08.1989 and posted in W.Y.C.H.E. Project BhudKalan (Yamuna Nagar) without taking any consent and option from me.
5. That the seniority list of my batch was circulated vide GM, Thermal Plants, PTPS, HSEB of Panipat office memo no. Ch-136(1-60)/EOM/G-229/J/Vol-II dated 01.10.1991 from Seniority No. 320 to 365.
6. That now your good office vide memo no. The seniority list from 01.05.1967 to 1988 has not been circulated including my batch of 1987/ 1988.

Subject: Request for re-assignment of "Common Seniority as JE from the effective date" in terms of decision dated 09.01.2014 of Hon'ble High Court Chandigarh in the case of Sh. Praveen Arora & others.

Respected Sir,

This is in continuation to our earlier representation dated 29.11.2014.

Most respectfully, it is again brought to your kind notice that we the following signatories were appointed as JE/Generation in November/December, 1987 & January, 1988 in erstwhile HSEB against advertisement no. CRA-95 (Copy enclosed). This advertisement was advertised for the post of 150 Nos. JE/Field but we all were posted in Thermal Plants whereas there was no policy for the recruitment of JE/Generation in Thermal Plants. All of us were appointed on merit basis and our selection list was sent to all the Chief Engineers of Thermal Plants by the then Chief Engineer /Commercial, HSEB Complex Sector-6, Panchkula vide his memo no. Spl (1 to 4) /PO dated 28.10.1987 (Copy enclosed). The seniority list of our batch was circulated by GM/Thermal Plants, PTPS, HSEB, Panipat vide memo no. Ch-136 (1-60)/EOM/G-229/JV/II dated 01.10.1991. Some employees of the then HSEB have challenged the posting of JE/Field in the Thermal Plants in the Hon'ble Punjab and Haryana High Court, Chandigarh and so many similar CWPs were attached by the Hon'ble High Court, Chandigarh. The Hon'ble Punjab and Haryana High Court, Chandigarh decided the CWPs on dated 09.01.2014 in the case of Sh. Praveen Arora & others and ordered that the cases of the aggrieved employees and the similarly situated persons may be decided by the committee.

Now, it has come to the knowledge through reliable sources that the committee has submitted its report but our name has not been included in the common seniority list of JEs before 14.08.1998 inspite of the decision of Hon'ble Punjab and Haryana High Court, Chandigarh in the case of Sh. Praveen Arora & others.

It is pertinent to mention here that no option was obtained from our batch recruited against CRA-95. We are the direct appointee JEs & senior to the batch of JEs appointed in 1989 in the Thermal Plants but no seniority is assigned to us in the revised seniority list made common before 14.08.1998 in view of the subject cited court case.

In view of the above, it is once again earnestly requested to your good self to get assign our seniority before the batch of JEs appointed in 1989 in the common seniority list of JEs in erstwhile HSEB. Sympathetic and judicious consideration is again requested please.

Yours faithfully

Subject: Request for re-assignment of "Common Seniority as JE from the effective date" in terms of decision dated 09.01.2014 of Hon'ble High Court, Chandigarh in the case of Sh. Praveen Arora & others.

Respected Sir,

Most respectfully, it is brought to your kind notice that we the followings were appointed as JE/Generation in December, 1987 & January, 1988 in erstwhile HSEB against advertisement no. SRA-95. This advertisement was for the post of JE/Field but we all were posted in Thermal Plants where as there was no policy for the appointment of direct JE/Generation in Thermal Plants.

Now, it has come to the knowledge through reliable sources that the seniority list of JEs from 1989 to 1998 is being revised in terms of decision dated 09.01.2014 of Hon'ble High Court, Chandigarh in the case of Sh. Praveen Arora & others.

It is pertinent to mention here that no option for the field cadre was obtained from our batch. We are the direct appointee JE/Generation & senior to the batch of JEs appointed in 1989 but no seniority is assigned to us in the revised seniority list made common before 14.08.1998 in view of the subject cited court case

In view of above, it is earnestly requested to your good self to get assign our seniority before the batch of JEs appointed in 1989 in the common seniority of JEs in erstwhile HSEB.

Sympathetic and judicious consideration is again requested please.

Yours' faithfully

Praveen Arora

Subject: Request for re-assignment of "Common Seniority as JE from the effective date" in terms of decision dated 09.01.2014 of Hon'ble High Court Chandigarh in the case of Sh. Praveen Arora & others.

Respected Sir,

This is in continuation to our earlier representation dated 29.11.2014.

Most respectfully, it is again brought to your kind notice that we the following signatories were appointed as JE/Generation in November/December, 1987 & January, 1988 in erstwhile HSEB against advertisement no. CRA-95 (Copy enclosed). This advertisement was advertised for the post of 150 Nos. JE/Field but we all were posted in Thermal Plants whereas there was no policy for the recruitment of JE/Generation in Thermal Plants. All of us were appointed on merit basis and our selection list was sent to all the Chief Engineers of Thermal Plants by the then Chief Engineer /Commercial, HSEB Complex Sector-6, Panchkula vide his memo no. Spl (1 to 4) /PO dated 28.10.1987 (Copy enclosed). The seniority list of our batch was circulated by GM/Thermal Plants, PTPS, HSEB, Panipat vide memo no. Ch-136 (1-60)/EOM/G-229/JV/q-II dated 01.10.1991. Some employees of the then HSEB have challenged the posting of JE/Field in the Thermal Plants in the Hon'ble Punjab and Haryana High Court, Chandigarh and so many similar CWP's were attached by the Hon'ble High Court, Chandigarh. The Hon'ble Punjab and Haryana High Court, Chandigarh decided the CWP's on dated 03.01.2014 in the case of Sh. Praveen Arora & others and ordered that the cases of the aggrieved employees and the similarly situated persons may be decided by the committee.

Now, it has come to the knowledge through reliable sources that the committee has submitted its report but our name has not been included in the common seniority list of JEs before 14.08.1998 inspite of the decision of Hon'ble Punjab and Haryana High Court, Chandigarh in the case of Sh. Praveen Arora & others.

It is pertinent to mention here that no option was obtained from our batch recruited against CRA-95. We are the direct appointee JEs & senior to the batch of JEs appointed in 1989 in the Thermal Plants but no seniority is assigned to us in the revised seniority list made common before 14.08.1998 in view of the subject cited court case.

In view of the above, it is once again earnestly requested to your good self to get assign our seniority before the batch of JEs appointed in 1989 in the common seniority list of JEs in erstwhile HSEB. Sympathetic and judicious consideration is again requested please.

Yours faithfully

Ref: Your office Memo no. Ch-163/EOM/G-229/JYol-II dated 03/08/2016.

Sir

With due respect I, KAPIL SHARMA, working as Assistant Engineer in the Office of XEN/SCE (Op.) Group A, Unit#8, PTPS, HPGCL, Panipat, want to draw your kind attention that I was promoted as A.E. on 15/10/2010 and I have joined the erstwhile HSEB in the capacity of Foreman Grade-I on regular basis on 25/08/1988 well before the said tentative seniority list JE's joined as JE Trainee in 1989 and I am an Engineering subordinate since joining as per prevailing rules and regulations of HSEB. I was got promoted as Junior Engineer Grade-I on 20/10/2005 in higher scale and well before than all the JE's of 1989 batch Junior Engineers.

It is to bring in your kind notice that if any changes are made in the Tentative Ranking List of Engineering Sub-ordinates based upon date of joining the Erstwhile HSEB then my case be sympathetically considered on merits and proper justification.

Thanking you

Representation against the Tentative Seniority list of JE's of 1989 batch onward upto 14-08-1998 circulated vide memo no. Ch-46/HPG / Genl-119 / loose dated 22-07-2016.

Respected Sir,

Kindly refer to the Tentative Seniority list of JE's of 1989 batch onward upto 14-08-1998 circulated vide your office memo no. Ch-46/HPG / Genl-119 / loose dated 22-07-2016.

Sir, we are not satisfied with the above mentioned combined tentative seniority list because of preparing it Up to 14-08-1998 as a cut off date as it fails to redress our grievances raised in our CWP No. 11909 of 2006 (Vijender Sangwan and Others V/S HPGCL):-

1. Our case was decided by the Hon'ble high court on dated 09-01-2014 in the light of decision of LPA-657 of 1997 (H.S.E.B. V/S Rajender singh Redhu & others) dated 17-12-2004. As per decision of Hon'ble High Court in L.P.A.657/1997, The operative portion of the decision dated 17-12-2004 is reproduced for ready reference as under: " It is uncontroverted fact that posts of junior Engineers as well as Assistant Engineers were inter transferable and no order of bifurcating that cadre was issued by the competent authority. That apart once it is found that the cadre of Assistant Engineers is one, there could be no justification to deny the consideration for promotion to the respondents no. 01 to 16 ( Rajender Singh Redhu & others of 1989 batch J.E.s allocated to Generation cadre) who were admittedly senior to respondents no 17 to 31 ( J.E.s of 1989 Batch allocated to Field cadre)".  
When it was decided finely on 17-12-2004 that that the generation and field cadre form a common cadre then how the 14-08-1998 can be set as a cut off date?.
2. During the pendency of our CWP, in order to comply with the directions contained in order dated 09-05-2012 regarding to workout a solution so that rights and entitlement of the petitioners and respondents, inter se is not harmed, a meeting was held on 15-05-2012 in the chamber of Chairman of Haryana Power Utilities in which all the MDs were present. As per the discussion held only workable solution which is also legally sustainable is that quota post of promotes be calculated as per availability of quota in terms of policy in vogue and they may be re-assigned seniority from the date their quota post available. Even otherwise as per settled law a direct recruit will get seniority from the date he is borne on the cadre while a promote will get seniority from the date quota post is available. Refixation of seniority may entail reversion of promotion carried out in excess of quota or none availability of quota and consequently refixation of pay. This has been submitted by HPGCL as a short affidavit in the Hon'ble High court on 17-05-2012. But setting the 14-08-1998 as a cut-off date is flagrant violation of the above affidavit as it will lead to save the reversion of our junior promoted in field cadre.
3. As per rule 5(5) of Rules of 1999, "the Common Cadre Personnel could make representations, as provided in clause 9 of the Transfer Scheme, in relation to finalization of absorption of the Common Cadre Personnel". But at that time we were not considered a part of the common cadre and no such opportunity was afforded to the Junior Engineers posted in Generation Wing to exercise their option to choose the power utility of their choice.
4. The HPGCL is self admitting at page no. 07 of the speaking order passed by it vide office order no. 321/HPG/GE-623 dated 12-04-2016 that the erstwhile H.S.E.B. floated an advertisement for recruitment of Engineering subordinates for the post of J.E./Trainee in the General Cadre( Field Cadre) against CRA-104/1988. Thus allocating us to the Generation cadre HPGCL) without giving any option was not the violation of the right of equality as well as rule 5(5) of rules of 1999? Now setting the cut off date as 14-08-1998 is not again the repetition of same atrocity on us?  
Therefore In view of the above you are humbly requested to implement the decision of court in the right spirit without setting 14-08-1998 as a cut off date for common seniority and framing it till date ( Date of decision 09-01-2014) and justice be done to the petitioners to avoid further litigation please.

Thanking you in anticipation.

Yours faithfully,

Kindly refer to the Tentative Seniority list of JE's of 1989 batch onward upto 14-08-1998 circulated vide your office memo no. Ch-46/HPG/Genl-119/loose dated 22-07-2016.

Sir, we are not satisfied with the above mentioned combined tentative seniority list because of preparing it Up to 14-08-1998 as a cut off date as it fails to redress our grievances raised in our CWP No. 11909 of 2006 (Vijender Sangwan and Others V/S HPGCL):-

1. Our case was decided by the Hon'ble high court on dated 09-01-2014 in the light of decision of LPA-657 of 1997 (H.S.E.B. V/S Rajender singh Redhu & others) dated 17-12-2004. As per decision of Hon'ble High Court in L.P.A.657/1997, The operative portion of the decision dated 17-12-2004 is reproduced for ready reference as under :  
" It is uncontroverted fact that posts of junior Engineers as well as Assistant Engineers were inter transferable and no order of bifurcating that cadre was issued by the competent authority. That apart once it is found that the cadre of Assistant Engineers is one, there could be no justification to deny the consideration for promotion to the respondents no. 01 to 16 ( Rajender Singh Redhu & others of 1989 batch J.E.s allocated to Generation cadre) who were admittedly senior to respondents no 17 to 31 ( J.E.s of 1989 Batch allocated to Field cadre)".

When it was decided finely on 17-12-2004 that that the generation and field cadre form a common cadre then how the 14-08-1998 can be set as a cut off date?.

2. During the pendency of our CWP, in order to comply with the directions contained in order dated 09-05-2012 regarding to workout a solution so that rights and entitlement of the petitioners and respondents, inter se is not harmed, a meeting was held on 15-05-2012 in the chamber of Chairman of Haryana Power Utilities in which all the MDs were present. As per the discussion held only workable solution which is also legally sustainable is that quota post of promotes be calculated as per availability of quota in terms of policy in vogue and they may be re-assigned seniority from the date their quota post available. Even otherwise as per settled law a direct recruit will get seniority from the date he is borne on the cadre while a promote will get seniority from the date quota post is available. Refixation of seniority may entail reversion of promotion carried out in excess of quota or none availability of quota and consequently refixation of pay. This has been submitted by HPGCL as a short affidavit in the Hon'ble High court on 17-05-2012. But setting the 14-08-1998 as a cut-off date is flagrant violation of the above affidavit as it will lead to save the reversion of our junior promoted in field cadre.

3. As per rule 5(5) of Rules of 1999, "the Common Cadre Personnel could make representations, as provided in clause 9 of the Transfer Scheme, in relation to finalization of absorption of the Common Cadre Personnel". But at that time we were not considered a part of the common cadre and no such opportunity was afforded to the junior Engineers posted in Generation Wing to exercise their option to choose the power utility of their choice.

4. The HPGCL is self admitting at page no. 07 of the speaking order passed by it vide office order no. 321/HPG/GE-623 dated 12-04-2016 that the erstwhile H.S.E.B. floated an advertisement for recruitment of Engineering subordinates for the post of J.E./Trainee in the General Cadre( Field Cadre) against CRA-104/1988. Thus allocating us to the Generation cadre HPGCL) without giving any option was not the violation of the right of equality as well as rule 5(5) of rules of 1999? Now setting the cut off date as 14-08-1998 is not again the repetition of same atrocity on us?

Therefore, In view of the above you are humbly requested to implement the decision of court in the right spirit without setting 14-08-1998 as a cut off date for common seniority and framing it till date ( Date of decision 09-01-2014) and justice be done to the petitioners to avoid further litigation please.

Thanking you in anticipation.

Yours faithfully,

Respected Sir,

Kindly refer to the Tentative Seniority list of JE's of 1989 batch onward upto 14-08-1998 circulated vide your office memo no. Ch-46/HPG / Gentl-119/ Loose dated 22-07-2016.

Sir, we are not satisfied with the above mentioned tentative seniority list with a cut off date as 14-08-1998. The decision of the department to not prepare the combined seniority list beyond 14-08-1998 and not considering us for promotion is totally arbitrary, unconstitutional and unjustified. It clearly shows that the department do not want to implement the decision in right spirit and judicially. It is beyond our apprehension as to what is the purpose of this Common Seniority List of 1989 batch, which fails to redress our grievances raised in our CWP No. 10195 of 1993 and 798 of 2007. In spite of the clear direction of the Hon'ble High Court in the decisions given in our CWP's, we are being denied our legitimate and legal rights by setting the cut off date as 14-08-1998 inspite of our repeated requests, meetings, representations, legal notice as well as filing of contempt of courts since our joining in the erstwhile H.S.E.B. It is brought to your kind notice that setting of 14-08-1998 as a cut off date is the double jeopardy to us on the following grounds:-

1.

It is brought to your kind notice that the Junior Engineers of 1989 batch were irrationally divided into Field and Generation Cadre without taking any options. Higher in merit were kept in Generation whereas the lower ones were allocated to Field. We have been fighting for our rights since then. Secondly, when the erstwhile HSEB was bifurcated into companies, again the same irrational and arbitrary method was adopted to retain us in Generation whereas as per law everyone should have been afforded an equal opportunity to exercise an option and decide where they want to go. The height of injustice is that Junior Engineers working in Field cadre were given an option to choose their respective Power Utility i.e. UHBVNL, DHBVNL and HVPNL. In this way after notification dated 01.07.1999, our juniors who were allocated to HVPNL were further allocated amongst HVPNL, UHBVNL and DHBVNL on the basis of options exercised by them. But no option has been ever invited from us since our joining to till date which is the main reasons to file these CWP's.

2.

It is significant to mention here that it was only during the pendency of our CWP-10195 of 1993 that the erstwhile HSEB was bifurcated into HPGCL and HVPNL vide notification dated 14.08.1998 vide rules called "Haryana Electricity Reform (Transfer of Undertaking, Assets, Liabilities, Proceedings and Personnel) Scheme Rules 1998". It is further stated that as per clause 8 of the said notification "All proceedings of whatever nature by or against the Board or the State Government as the case may be, pending on the effective date shall not abate or discontinue or otherwise in any way prejudicially be affected by reason of any transfer effected under these rules but the proceedings may be continued, prosecuted and enforced by or against the transferee to whom the same are assigned in accordance with these rules. Such proceedings may be continued in the same manner and to the same extent as would or might have been continued, prosecuted and enforced by or against the board if the transfers specified in these rules had not been made".

3.

That on the bifurcation we, the more meritorious and higher ranked in the selection list were arbitrarily allocated to HPGCL whereas our juniors who were lower in merit were allocated to HVPNL.

4.

That vide notification dated 01/07/1999 two more companies namely UHBVNL and DHBVNL were created to give effect to transfer of distribution undertaking of HVPNL vide rules called "Haryana Electricity Reform" (Transfer of Distribution Undertaking from Haryana VidyutParsaran Nigam Ltd. to Distribution companies) Rules 1999.

5. That Clause 6 of the said rules is reproduced below:

"All proceedings of whatever nature by or against the HVPN or against the Board which have been assumed by HVPN under the First Transfer Scheme pending on the effective date, shall not abate or discontinue or otherwise in any way prejudicially affected by reason of any transfer effected under the Transfer Scheme. Subject to what is provided in the Transfer Scheme, such proceeding may be continued by or against the concerned transferee, in the same manner and to the same extent as would or might have been continued, prosecuted and enforced by or against HVPN had the transfers specified in the Transfer Scheme had not been made."

6. Now, in pursuance of Hon'ble High Court's decision, the Power Utilities have agreed on a common cadre and has devised a common seniority list but quite ironically and arbitrarily have kept 14.08.1998 as the cut off date to discontinue the said 1st thereafter, which is totally unjustified and required to be reviewed before it is accepted to be implemented on the following grounds:

- a) The clause 6 of Haryana Electricity Reform Scheme Rules 1998, and clause 6 of Haryana Electricity Reform Scheme Rules 1999 implies that the Common Seniority List as on 14.08.1998 is to continue till the decision of the court cases pending prior to the bifurcation. Our CWP 10195 was lying pending in the court since 1993 and has been decided on 20.03.2014. Consequently, there arises no question of setting a cut off date for the seniority i.e. 14.08.1998 to our disadvantage.
- b) As per direction of Hon'ble High Court, the generation and field cadre form a common cadre. As per rule 5(5) of Rules of 1999, "the Common Cadre Personnel could make representations, as provided in clause 9 of the Transfer Scheme, in relation to finalization of absorption of the Common Cadre Personnel". But at that time we were not considered a part of the said cadre and no such opportunity was afforded to the Junior Engineers posted in Generation Wing to exercise their option to choose the power utility of their choice.

c) It would have a different matter if we, the petitioners of the said CWP had been given an option to choose their respective power utility. Since no such opportunity was afforded to us, logically the common seniority list should prevail till date.

7. We are being denied for option as well as framing the common seniority beyond 14-08-1998. But sir on bifurcation, while allocating the personals to different cadres option as well as joint seniority both are necessary to maintain the law of equality. For reference the decision of Punjab and Haryana High Court given on dated 28-07-2009 in CWP-7303 of 1999 ( Ghanshayam Dass Sharma V/S State of Haryana & Others) related to bifurcation of cadre of Agriculture Development Officers may please be seen where option had been provided but Joint seniority was not kept in mind during the allocation of cadre. LPA-614 of 2010 filed in the above CWP also disposed off on 15-12-2010.

Therefore sir keeping in view the above points which are enough to support our claim you are once again humbly requested to either prepare the common seniority list up to 20-03-2014 (Date of decision) as no option has been ever invited from us till date or give us a chance of option to choose the cadre of our choice from 1989 or 14-08-1998 in pursuance of the Hon'ble High Court decision dated 20-03-2014

Thanking you in anticipation.

But sir on bifurcation, while allocating the personals to different cadres option as well as joint seniority both are necessary to maintain the law of equality. For reference the decision of Punjab and Haryana High Court given on dated 28-07-2009 in CWP-7303 of 1998 ( Ghanshyam Dass Sharma VS State of Haryana & Others) related to bifurcation of cadre of Agriculture Development Officers may please be seen where option had been provided but Joint seniority was not kept in mind during the allocation of cadre. LPA-614 of 2010 filed in the above CWP also disposed off on 15-12-2010.

Therefore sir keeping in view the above points which are enough to support our claim you are once again humbly requested to either prepare the common seniority list up to 20-03-2014 (Date of decision) as no option has been ever invited from us till date or give us a chance of option to choose the cadre of our choice from 1989 or 14-08-1998 in pursuance of the Hon'ble High Court decision dated 20-03-2014

Thanking you in anticipation.

Yours faithfully,

onward upto 14-08-1998 circulated vide memo no. Ch-46/HPG/Genl-119/  
loose dated 22-07-2016.

Respected Sir,

Kindly refer to the Tentative Seniority list of JE's of 1989 batch onward upto 14-08-1998 circulated vide your office memo no. Ch -48/HPG / Genl-119/ Loose dated 22-07-2016.

Sir, we are not satisfied with the above mentioned tentative seniority list with a cut off date as 14-08-1998. The decision of the department to not prepare the combined seniority list beyond 14-08-1998 and not considering us for promotion is totally arbitrary, unconstitutional and unjustified. It clearly shows that the department do not want to implement the decision in right spirit and judicially. It is beyond our apprehension as to what is the purpose of this Common Seniority List of 1989 batch, which fails to redress our grievances raised in our CWP No. 10195 of 1993 and 798 of 2007. In spite of the clear direction of the Hon'ble High Court in the decisions given in our CWP's, we are being denied our legitimate and legal rights by setting the cut off date as 14-08-1998 inspite of our repeated requests, meetings, representations, legal notice as well as filing of contempt of courts since our joining in the erstwhile H.S.E.B. It is brought to your kind notice that setting of 14-08-1998 as a cut off date is the double jeopardy to us on the following grounds:-

1. It is brought to your kind notice that the Junior Engineers of 1989 batch were irrationally divided into Field and Generation Cadre without taking any options. Higher in merit were kept in Generation whereas the lower ones were allocated to Field. We have been fighting for our rights since then. Secondly, when the erstwhile HSEB was bifurcated into companies, again the same irrational and arbitrary method was adopted to retain us in Generation whereas as per law everyone should have been afforded an equal opportunity to exercise an option and decide where they want to go. The height of injustice is that Junior Engineers working in Field cadre were given an option to choose their respective Power Utility i.e. UHBVNL, DHBVNL and HVPNL. In this way after notification dated 01.07.1999, our juniors who were allocated to HVPNL were further allocated amongst HVPNL, UHBVNL and DHBVNL on the basis of options exercised by them. But no option has been ever invited from us since our joining to till date which is the main reasons to file these CWP's. It is significant to mention here that it was only during the pendency of our CWP-10195 of 1993 that the erstwhile HSEB was bifurcated into HPGCL and HVPNL vide notification dated 14.08.1998 vide rules called "Haryana Electricity Reform (Transfer of Undertaking, Assets, Liabilities, Proceedings and Personnel) Scheme Rules 1998". It is further stated that as per clause 8 of the said notification "All proceedings of whatever nature by or against the Board or the State Government as the case may be, pending on the effective date shall not abate or discontinue or otherwise in any way prejudicially be affected by reason of any transfer effected under these rules but the proceedings may be continued, prosecuted and enforced by or against the transferee to whom the same are assigned in accordance with these rules. Such proceedings may be continued in the same manner and to the same extent as would or might have been continued, prosecuted and enforced by or against the board if the transfers specified in these rules had not been made". That on the bifurcation we, the more meritorious and higher ranked in the selection list were arbitrarily allocated to HPGCL whereas our juniors who were lower in merit were allocated to HVPNL.
2. That vide notification dated 01/07/1999 two more companies namely UHBVNL and DHBVNL were created to give effect to transfer of distribution undertaking of HVPNL vide rules called "Haryana Electricity Reform" (Transfer of Distribution Undertaking from Haryana Vidyut.Parsaran Nigam Ltd. to Distribution companies) Rules 1999.

5. That Clause 6 of the said rules is reproduced below:

"All proceedings of whatever nature by or against the HVPN or against the Board which have been assumed by HVPN under the First Transfer Scheme pending on the effective date, shall not abate or discontinue or otherwise in any way prejudicially affected by reason of any transfer effected under the Transfer Scheme. Subject to what is provided in the Transfer Scheme, such proceeding may be continued by or against the concerned transferee, in the same manner and to the same extent as would or might have been continued, prosecuted and enforced by or against HVPN had the transferees, prosecuted and enforced by or against HVPN had the transferees specified in the Transfer Scheme had not been made."

6. Now, in pursuance of Hon'ble High Court's decision, the Power Utilities have agreed on a common cadre and has devised a common seniority list but quite ironically and arbitrarily have kept 14.08.1998 as the cut off date to discontinue the said list thereafter, which is totally unjustified and required to be reviewed before it is accepted to be implemented on the following grounds:

- a) The clause 6 of Haryana Electricity Reform Scheme Rules 1998, and clause 6 of Haryana Electricity Reform Scheme Rules 1999 implies that the Common Seniority List as on 14.08.1998 is to continue till the decision of the court cases pending prior to the bifurcation. Our CWP 10195 was lying pending in the court since 1993 and has been decided on 20.03.2014. Consequently, there arises no question of setting a cut off date for the seniority i.e. 14.08.1998 to our disadvantage.
- b) As per direction of Hon'ble High Court, the generation and field cadre form a common cadre. As per rule 5(5) of Rules of 1999, "the Common Cadres Personnel could make representations, as provided in clause 9 of the Transfer Scheme, in relation to finalization of absorption of the Common Cadre Personnel". But at that time we were not considered a part of the said cadre and no such opportunity was afforded to the Junior Engineers posted in Generation Wing to exercise their option to choose the power utility of their choice.
- c) It would have a different matter if we, the petitioners of the said CWP had been given an option to choose their respective power utility. Since no such opportunity was afforded to us, logically the common seniority list should prevail till date.

7. We are being denied for option as well as framing the common seniority beyond 14-08-1998. But sir on bifurcation, while allocating the personals to different cadres option as well as joint seniority both are necessary to maintain the law of equality. For reference the decision of Punjab and Haryana High Court given on dated 28-07-2009 in CWP-7303 of 1999 ( Ghanshayam Dass Sharma V/S State of Haryana & Others) related to bifurcation of cadre of Agriculture Development Officers may please be seen where option had been provided but Joint seniority was not kept in mind during the allocation of cadre. Sir, we are not satisfied with the above mentioned tentative seniority list with a cutoff date as 14-08-1998. The decision of the department to not prepare the combined seniority list beyond 14-08-1998 and not considering us for promotion is totally arbitrary, unconstitutional and unjustified. It is beyond our apprehension as to what is the purpose of this Common Seniority List of 1989 batch, which fails to redress our grievances raised in our CWP No. 10195 of 1983 and 798 of 2007. In spite of the clear direction of the Honable High Court in the decisions given in our CWP's, we are being denied our legitimate and legal rights by setting the cut of date as 14-08-1998 in spite of our repeated requests, meetings, representations, legal notice as well as filing of contempt of courts since our joining in the erstwhile H.S.E.B. It is brought to your kind notice that setting of 14-08-1998 as a cutoff date is the double jeopardy to us on the following grounds:-

2. It is significant to mention here that it was only during the pendency of our CWP-10195 of 1993 that the erstwhile HSEB was bifurcated into HPGCL and HVPNL vide notification dated 14.08.1998 vide rules called "Haryana Electricity Reform (Transfer of Undertaking, Assets, Liabilities, Proceedings and Personnel) Scheme Rules 1998". It is further stated that as per clause 8 of the said notification "All proceedings of whatever nature by or against the Board or the State Government as the case may be, pending on the effective date shall not abate or discontinue or otherwise in any way prejudicially be affected by reason of any transfer effected under these rules but the proceedings may be continued, prosecuted and enforced by or against the transferee to whom the same are assigned in accordance with these rules. Such proceedings may be continued in the same manner and to the same extent as would or might have been continued, prosecuted and enforced by or against the board if the transfers specified in these rules had not been made". Thus setting of the 14-08-1998 as a cut of date is the violation of the said notification and as such it cannot be implemented on us because our case pertain to the year 1993 i.e. much prior to unbundling of H.S.E.B.
3. That vide notification dated 01/07/1999 two more companies namely UHBVNL and DHBVNL were created to give effect to transfer of distribution undertaking of HVPNL

vide rules called "Haryana Electricity Reform" (Transfer of Distribution Undertaking from Haryana Vidyut Parsaran Nigam Ltd. to Distribution companies) Rules 1999. The Clause 6 of the said rules is reproduced below:

Thus there arises no question of setting a cutoff date for the seniority i.e. 14.08.1998 to our disadvantage. It should be prepared up to 20-03-2014 i.e. the date of decision of our case.

4.

Now, in pursuance of Honable High Court's decision, the Power Utilities have agreed on a common cadre and has devised a common seniority list but quite ironically and arbitrarily have kept 14.08.1998 as the cutoff date to discontinue the said list thereafter, which is totally unjustified and required to be reviewed before it is accepted to be implemented on the following grounds:

- a) As per decision of Honable High Court delivered in LPA-857 of 1997, the generation and field cadre form a common cadre. As per rule 5(5) of Rules of 1999, "the Common Cadre Personnel could make representations, as provided in clause 9 of the Transfer Scheme, in relation to finalization of absorption of the Common Cadre Personnel". But at that time we were not considered a part of the said cadre and no such opportunity was afforded to the Junior Engineers posted in Generation Wing to exercise their option to choose the power utility of their choice.
- b) It would have a different matter if we, the petitioners of the said GWP had been given an option to choose their respective power utility. Since no such opportunity was afforded to us, logically the common seniority list should prevail till date.

Therefore sir keeping in view the above points which are enough to support our claim you are once again humbly requested to either prepare the common seniority list up to 20-03-2014 (Date of decision) or give us a chance of option to choose the cadre of our choice from 1989 or from 14-08-1998 in pursuance and implementation of the Honable High Court decision dated 20-03-2014 in true spirit.

**Subject: Grievances against the main report prepared by the Committee in Compliance of judgment dated 09.01.2014 in CWP 16330 of 2005 judgment dated 20.03.2014 in CWP No. 10195/1993 and CWP -798/2007.**

Respected Sir,

With due respect, I Varinder Pal Singh Gill (One of the petitioners in CWP No 10195/1993 and CWP -798/2007) would like to bring to your kind notice, some of the discrepancies/irregularities in the above mentioned report.

My main grievances are as under:-

1. Please refer Page no. 1855-56/Flag-76 (copy attached as Annexure-I) in the Joint Ranking List of Engineering Subordinates (Field and Generation Cadre) under AMIE/BE Quota directly recruited against CRA - 104 in the year 1989.

In this List after Sr. No. 26, only three names have been added under Title "Following Engineering subordinates acquired AMIE/BE after 14.08.1988. At Sr. No. 28 and 29 names of Sh. Andrew Dass and Sh. Mehtab Singh appears mentioning their date of passing BE as 05/1999 and 15.07.1999 respectively But my name has not been included, though I acquired BE degree on 24.05.1999 i.e. prior to Sh. Andrew Dass and Mehtab Singh. This shows that the Committee has prepared the list without verifying the degrees. And that is why they have not mentioned the exact date of passing degree in the case of Sh. Andrew Dass, who was junior to me at REC, Kurukshtra and completed his degree later than me.

Further, I would also like to mention that Sh. Andrew Dass and Sh. Mehtab Singh are below than me in the Selection/Seniority List of 1989 batch (copy attached as Annexure-II). In this List my name appears at Sr. No. 104, whereas Sh. Andrew Dass on Sr. No. 239 and Sh. Mehtab Singh on Sr. No. 158. This means both of them are Junior to me as per merit as well as acquiring degree. But even then both of them have been promoted as AEEs in UHBVNL, and I am still working as J.E. although having degree and 25 years of experience.

2. It is further added that the comparison chart prepared for the Petitioners having AMIE/BE Degree titled Chart -1, Annexure P-7, Page 76 annexed with CWP- 798/2007, has not been placed on record in the main report, that was rather to be on before Page-698.

It seems it has been kept off the record deliberately to conceal the real picture. Sir, this page clearly depicts that juniors have been promoted and seniors are still working as JEs i.e. 1989 (copy of this missing page is attached herewith as Annexure-III for your ready reference). As per this chart Sh. Suresh Chand and Sh. Deepak Sharma of 1993 batch and did their BE in the year 2001 and 2002 respectively, have been promoted as AEs in the year 2003 vide office order No. 25/EG-5/AMIE/BE dated 31.03.2003 in HVPNL. At present they are working as XENs but I am still working as J.E., although I joined in 1989 and acquired degree in 1999.

3. Even in the Seniority list prepared for the 1989 batch, my name appears at S. No. 104, mentioning my qualifications as DH rather as BE. This clearly depicts the very casual approach of the concerned committee while preparing/updating the Seniority List.

It is therefore requested that kindly review the above said report and redress my Grievances:-

- i) Include my name in the Joint Ranking List at the appropriate place, after verifying the exact dates of degrees of all the eligible candidates.
- ii) Annexure P-7 of CWP-798/2007 should be on record in the main report.
- iii) Update my qualification in the Seniority List of 1989 batch.

I humbly request you that kindly implement the decision of the Hon'ble High Court in the true spirit and do much awaited Justice by promoting from the date my junior in any Corporation has been promoted.

Thanking you.

DA / As above.

**Subject: Representation against the Tentative Seniority List of JE's of 1989 batch onward upto 14-08-1998 circulated vide Memo no. Ch-46/HPG/Genl-119/ Loose dated 22-07-2016.**

Respected Sir,

Kindly refer to the Tentative Seniority list of JE's of 1989 batch onward upto 14-08-1998 circulated vide your office memo no. Ch -46/ HPG / Genl-119/ Loose dated 22-07-2016.

Sir, we are not satisfied with the above mentioned tentative seniority list with a cut off date as 14-08-1998. The decision of the department to not prepare the combined seniority list beyond 14-08-1998 and not considering us for promotion is totally arbitrary, unconstitutional and unjustified. It clearly shows that the department do not want to implement the decision in right spirit and judicially. It is beyond our apprehension as to what is the purpose of this Common Seniority List of 1989 batch, which fails to redress our grievances raised in our CWP No. 10195 of 1993 and 798 of 2007. In spite of the clear direction of the Hon'ble High Court in the decisions given in our CWP's, we are being denied our legitimate and legal rights by setting the cut off date as 14-08-1998 inspite of our repeated requests, meetings, representations, legal notice as well as filing of contempt of courts since our joining in the erstwhile H.S.E.B. It is brought to your kind notice that setting of 14-08-1998 as a cut off date is the double jeopardy to us on the following grounds:-  
It is brought to your kind notice that the Junior Engineers of 1989 batch were irrationally divided into Field and Generation Cadre without taking any options. Higher in merit were kept in Generation whereas the lower ones were allocated to Field. We have been fighting for our rights since then. Secondly, when the erstwhile HSEB was bifurcated into companies, again the same irrational and arbitrary method was adopted to retain us in Generation whereas as per law everyone should have been afforded an equal opportunity to exercise an option and decide where they want to go. The height of injustice is that Junior Engineers working in Field cadre were given an option to choose their respective Power Utility i.e. UHBVNL, DHBVNL and HVPNL. In this way after notification dated 01.07.1999, our juniors who were allocated to HVPNL were further allocated amongst HVPNL, UHBVNL and DHBVNL on the basis of options exercised by them. But no option has been ever invited from us since our joining to till date which is the main reasons to file these CWP's.

2.

It is significant to mention here that it was only during the pendency of our CWP-10195 of 1993 that the erstwhile HSEB was bifurcated into HPGCL and HVPNL vide notification dated 14.08.1998 vide rules called "Haryana Electricity Reform (Transfer of Undertaking, Assets, Liabilities, Proceedings and Personnel) Scheme Rules 1998". It is further stated that as per clause 8 of the said notification "All proceedings of whatever nature by or against the Board or the State Government as the case may be, pending on the effective date shall not abate or discontinue or otherwise in any way prejudicially be affected by reason of any transfer effected under these rules but the proceedings may be continued, prosecuted and enforced by or against the transferee to whom the same are assigned in accordance with these rules. Such proceedings may be continued in the same manner and to the same extent as would or might have been continued, prosecuted and enforced by or against the board if the transfers specified in these rules had not been made".

3.

That on the bifurcation we, the more meritorious and higher ranked in the selection list were arbitrarily allocated to HPGCL whereas our juniors who were lower in merit were allocated to HVPNL.

4.

That vide notification dated 01/07/1999 two more companies namely UHBVNL and DHBVNL were created to give effect to transfer of distribution undertaking of HVPNL vide rules called "Haryana Electricity Reform" (Transfer of Distribution Undertaking from Haryana Vidyut Parsaran Nigam Ltd. to Distribution companies) Rules 1999.

5. That Clause 6 of the said rules is reproduced below:

"All proceedings of whatever nature by or against the HVPN or against the Board which have been assumed by HVPN under the First Transfer Scheme pending on the effective date, shall not abate or discontinue or otherwise in any way prejudicially affected by reason of any transfer effected under the Transfer Scheme. Subject to what is provided in the Transfer Scheme, such proceeding may be continued by or against the concerned transferee, in the same manner and to the same extent as would or might have been continued, prosecuted and enforced by or against HVPN had the transfers specified in the Transfer Scheme had not been made."

6. Now, in pursuance of Hon'ble High Court's decision, the Power Utilities have agreed on a common cadre and has devised a common seniority list but quite ironically and arbitrarily have kept 14.08.1998 as the cut off date to discontinue the said list thereafter, which is totally unjustified and required to be reviewed before it is accepted to be implemented on the following grounds:

a) The clause 8 of Haryana Electricity Reform Scheme Rules 1998, and clause 6 of Haryana Electricity Reform Scheme Rules 1999 implies that the Common Seniority List as on 14.08.1998 is to continue till the decision of the court cases pending prior to the bifurcation. Our CWP 10195 was lying pending in the court since 1993 and has been decided on 20.03.2014. Consequently, there arises no question of setting a cut off date for the seniority i.e. 14.08.1998 to our disadvantage.

b) As per direction of Hon'ble High Court, the generation and field cadre form a common cadre. As per rule 5(5) of Rules of 1999, "the Common Cadre Personnel could make representations, as provided in clause 9 of the Transfer Scheme, in relation to finalization of absorption of the Common Cadre Personnel". But at that time we were not considered a part of the said cadre and no such opportunity was afforded to the Junior Engineers posted in Generation Wing to exercise their option to choose the power utility of their choice.

c) It would have a different matter if we, the petitioners of the said CWP had been given an option to choose their respective power utility. Since no such opportunity was afforded to us, **logically the common seniority list should prevail till date.**

7. We are being denied for option as well as framing the common seniority beyond 14-08-1998. But sir on bifurcation, while allocating the personals to different cadres option as well as joint seniority both are necessary to maintain the law of equality. For reference the decision of Punjab and Haryana High Court given on dated 28-07-2009 in CWP-7303 of 1999 ( Ghanshayam Dass Sharma V/S. State of Haryana & Others) related to bifurcation of cadre of Agriculture Development Officers may please be seen where option had been provided but Joint seniority was not kept in mind during the allocation of cadre. LPA-614 of 2010 filed in the above CWP also disposed off on 15-12-2010.

Therefore sir keeping in view the above points which are enough to support our claim you are once again humbly requested to either prepare the **common seniority list up to 20-03-2014 (Date of decision)** as no option has been ever invited from us till date or give us a chance of option to choose the cadre of our choice from 1989 or 14-08-1998 in pursuance of the Hon'ble High Court decision dated 20-03-2014

Thanking you in anticipation.

**Subject:** Representation against the Tentative Seniority list of JE's of 1989 batch  
onward upto 14-08-1998 circulated vide memo no. Ch-46/HPG/Genl-119/  
loose dated 22-07-2016.

Respected Sir,

Kindly refer to the Tentative Seniority list of JE's of 1989 batch onward upto 14-08-1998 circulated vide your office memo no. Ch-46/HPG/Genl-119/Loose dated 22-07-2016.

Sir, we are not satisfied with the above mentioned tentative seniority list with a cut off date as 14-08-1998. The decision of the department to not prepare the combined seniority list beyond 14-08-1998 and not considering us for promotion is totally arbitrary, unconstitutional and unjustified. It clearly shows that the department do not want to implement the decision in right spirit and judicially. It is beyond our apprehension as to what is the purpose of this Common Seniority List of 1989 batch, which fails to redress our grievances raised in our CWP No. 10195 of 1993 and 798 of 2007. In spite of the clear direction of the Hon'ble High Court in the decisions given in our CWP, s, we are being denied our legitimate and legal rights by setting the cut of date as 14-08-1998 inspite of our repeated requests, meetings, representations, legal notice as well as filing of contempt of courts since our joining in the erstwhile H.S.E.B. It is brought to your kind notice that setting of 14-08-1998 as a cut off date is the double jeopardy to us on the following grounds:-

1. It is brought to your kind notice that the Junior Engineers of 1989 batch were irrationally divided into Field and Generation Cadre without taking any options. Higher in merit were kept in Generation whereas the lower ones were allocated to Field. We have been fighting for our rights since then. Secondly, when the erstwhile HSEB was bifurcated into companies, again the same irrational and arbitrary method was adopted to retain us in Generation whereas as per law everyone should have been afforded an equal opportunity to exercise an option and decide where they want to go. The height of injustice is that Junior Engineers working in Field cadre were given an option to choose their respective Power Utility i.e. UHBVNL, DHBVNL and HVPNL. In this way after notification dated 01.07.1999, our juniors who were allocated to HVPNL were further allocated amongst HVPNL, UHBVNL and DHBVNL on the basis of options exercised by them. But no option has been ever invited from us since our joining to till date which is the main reasons to file these CWP, s. It is significant to mention here that it was only during the pendency of our CWP-10195 of 1993 that the erstwhile HSEB was bifurcated into HPGCL and HVPNL vide notification dated 14.08.1998 vide rules called "Haryana Electricity Reform (Transfer of Undertaking, Assets, Liabilities, Proceedings and Personnel) Scheme Rules 1998". It is further stated that as per clause 8 of the said notification "All proceedings of whatever nature by or against the Board or the State Government as the case may be, pending on the effective date shall not abate or discontinue or otherwise in any way prejudicially be affected by reason of any transfer effected under these rules but the proceedings may be continued, prosecuted and enforced by or against the transferee to whom the same are assigned in accordance with these rules. Such proceedings may be continued in the same manner and to the same extent as would or might have been continued, prosecuted and enforced by or against the board if the transfers specified in these rules had not been made".
3. That on the bifurcation we, the more meritorious and higher ranked in the selection list were arbitrarily allocated to HPGCL whereas our juniors who were lower in merit were allocated to HVPNL.
4. That vide notification dated 01/07/1999 two more companies namely UHBVNL and DHBVNL were created to give effect to transfer of distribution undertaking of HVPNL vide rules called "Haryana Electricity Reform" (Transfer of Distribution Undertaking from Haryana VidyutParsaran Nigam Ltd. to Distribution companies) Rules 1999.

That Clause 6 of the said rules is reproduced below:

"All proceedings of whatever nature by or against the HVPN or against the Board which have been assumed by HVPN under the First Transfer Scheme pending on the effective date, shall not abate or discontinue or otherwise in any way prejudicially affected by reason of any transfer effected under the Transfer Scheme. Subject to what is provided in the Transfer Scheme, such proceeding may be continued by or against the concerned transferee, in the same manner and to the same extent as would or might have been continued, prosecuted and enforced by or against HVPN had the transfers specified in the Transfer Scheme had not been made."

6. Now, in pursuance of Hon'ble High Court's decision, the Power Utilities have agreed on a common cadre and has devised a common seniority list but quite ironically and arbitrarily have kept 14.08.1998 as the cut off date to discontinue the said list thereafter, which is totally unjustified and required to be reviewed before it is accepted to be implemented on the following grounds:

- a) The clause 8 of Haryana Electricity Reform Scheme Rules 1998, and clause 6 of Haryana Electricity Reform Scheme Rules 1999 implies that the Common Seniority List as on 14.08.1998 is to continue till the decision of the court cases pending prior to the bifurcation. Our CWP 10195 was lying pending in the court since 1993 and has been decided on 20.03.2014. - b) As per direction of Hon'ble High Court, the generation and field cadre form a common cadre. As per rule 5(5) of Rules of 1999, "the Common Cadre Personnel could make representations, as provided in clause 9 of the Transfer Scheme, in relation to finalization of absorption of the Common Cadre Personnel". But at that time we were not considered a part of the said cadre and no such opportunity was afforded to the Junior Engineers posted in Generation Wing to exercise their option to choose the power utility of their choice.
- c) It would have a different matter if we, the petitioners of the said CWP had been given an option to choose their respective power utility. Since no such opportunity was afforded to us, **logically the common seniority list should prevail till date.**

7. We are being denied for option as well as framing the common seniority beyond 14-08-1998. Respected Sir,

Kindly refer to the Tentative Seniority list of JE's of 1989 batch onward upto 14-08-1998 circulated vide your office memo no. Ch-46/HPG/Genl-119/loose dated 22-07-2016.

Sir, we are not satisfied with the above mentioned combined tentative seniority list because of preparing it up to 14-08-1998 as a cut-off date as it fails to redress our grievances raised in our CWP No. 11989 of 2005 (Wjender-Sangwan and Others V/S HPGCL).

1. Our case was decided by the Hon'ble high court on dated 09-01-2014 in the light of decision of LPA-657 of 1997 (H.S.E.B. V/S Rajender Singh Redhu & others) dated 17-12-2004. As per decision of Hon'ble High Court in L.P.A.657/1997, The operative portion of the decision dated 17-12-2004 is reproduced for ready reference as under:  
"It is uncontroverted fact that posts of Junior Engineers as well as Assistant Engineers were inter transferable and no order of bifurcating that cadre was issued by the competent authority. That apart once it is found that the cadre of Assistant Engineers is one, there could be no justification to deny the consideration for promotion to the respondents no. 01 to 16 ( Rajender Singh Redhu & others of 1989 batch J.E.s allocated to Generation cadre) who were admittedly senior to respondents no. 17 to 31 ( J.E.s of 1989 Batch allocated to Field cadre)".

When it was decided finally on 17-12-2004 that that the generation and field cadre form a common cadre then how the 14-08-1998 can be set as a cut off date?

2. During the pendency of our CWP, in order to comply with the directions contained in order dated 09-05-2012 regarding to workout a solution so that rights and entitlement of the petitioners and respondents inter se is not harmed, a meeting was held on 15-05-2012 in the chamber of Chairman of Haryana Power Utilities in which all the MDs were present. As per the discussion held only workable solution which is also legally sustainable is that quota post of promotees be calculated as per availability of quota in terms of policy in vogue and they may be re-assigned seniority from the date their quota post available. Even otherwise as per settled law a direct recruit will get seniority from the date he is born in the cadre while a promotee will get seniority from the date quota post is available. Refixation of seniority may entail reversion of promotion carried out in excess of quota or none availability of quota and consequently relaxation of pay. This has been submitted by HPGCL as a short affidavit in the Hon'ble High court on 17-05-2012. But setting the 14-08-1998 as a cut-off date is flagrant violation of the above affidavit as it will lead to save the reversion of our junior promoted in field cadre.

3. As per rule 5(6) of Rules of 1989, "the Common Cadre Personnel could make representation as provided in clause 9 of the Transfer Scheme, in relation to finalization of absorption of the Common Cadre Personnel". But at that time we were not considered a part of the common cadre and no such opportunity was afforded to the Junior Engineers posted in Generation wing to exercise their option to choose the power utility of their choice.  
4. The HPGCL is self admitting at page no. 07 of the speaking order passed by it vide office order no. 321/HPG/GE-623 dated 12-01-2016 that the erstwhile H.S.E.B. floated an advertisement for recruitment of Engineering subordinates for the post of J.E./Trainee in the General Cadre ( Field Cadre) against CRA-104/1988. Thus allocating us to the Generation cadre HPGCL without giving any option was not the violation of the right of equality as well as rule 5(6) of rules of 1989. Now setting the cut off date as 14-08-1998 is not again the repetition of same atrocity on us?

Therefore, in view of the above you are humbly requested to implement the decision of court in the right spirit without setting 14-08-1998 as a cut off date for common seniority and framing it till date ( Date of decision 09-01-2014) and justice be done to the petitioners to avoid further litigation please.

Thanking you in anticipation.

1. Our case was decided by the Hon'ble high court on dated 09-01-2014 in the light of decision of LPA-657 of 1997 (H.S.E.B. V/S Rajender singh Redhu & others) dated 17-12-2004. **Subject:** Request to reconsider the Office Order NO. 321/MPG/623 dated 12.04.2016 with regard to implementation of the HSEB Notification vide order No. 135/REG-18 dated 05.03.1992 read with order No. 158/REG-18/Vol-IV dated 07.12.1992.

Hon'ble sir,

With due regards I Anish Kumar Gupta working as Assistant Executive Engineer in FTPS Faridabad humbly submits as under for your kind and sympathetic consideration as under please:-

1. That in view of the Supreme Court interim Order dated 11.11.2011 I was promoted/ granted deemed date seniority to the post of Assistant Engineer, Assistant Executive Engineer vide HPGCL O/o No. 285/HPG/GE-623 dated 10.05.2012 after fixation of seniority as Boiler controller.
2. That my seniority as Assistant Engineer was fixed by following the Notification vide office order dated 07.12.1992 and while re-fixing the seniority of Assistant Engineers, promotions/reversions were carried out in the 4<sup>th</sup> & 8<sup>th</sup> slot meant for Boiler controllers without disturbing the slot meant for other category.
3. That during year 2005, the HPGCL authorities have already implemented the orders of Hon'ble High Court in the matter of Rajender Singh Redhu & others and being well aware of the contents of the Hon'ble High Court orders in that matter, the authorities considered the HSEB order dated 05.03.1992 read with 07.12.1992 as the order of HSEB for maintaining the inter se seniority between Boiler Controllers and JE-I for their promotion to the post of Assistant Engineer which was not under challenge in Rajender Redhu case.
4. That the HPGCL vide order No. 571/ HPG/ GE-623 dated 30.08.2012 carried out reversions/ downgraded the seniority of Assistant Engineers promoted from Boiler Controllers. Aggrieved of this they filed I.A. in Honble Supreme Court of India in CA No. 20211 of 2010 and in the counter affidavit the HPGCL has

admitted that while bifurcating of the Board on 14.08.1998, seven No. posts of Assistant Engineer from the quota of Boiler Controller were vacant but on the advice of L.R. backlog has not been carried forwarded and the Appeal is still pending in the Hon'le Supreme Court.

5. That on the direction of Honb'le High Court in CWP No. 21695 of 2010, the Hon'le Supreme Court order were implemented and my promotion orders were submitted in the court and the CWP orders are in my favour and have attained the finality.

6. That in the matter of Parveen Arora & others, Honb'le High Court has directed to refix inter se seniority between Direct recruit and Promote Assistant Engineers as per policy in vogue, keeping in view the orders passed by the court, but ignoring all the Court orders and HSEB Notifications, the authorities vide order dated 12.04.2016 para (k) page 35 has ordered seniority to Assistant Engineers promoted from Boiler controllers under HSEB Notifications vide O/o 05.03.1992 read with No.07.12.1992 from 14.08.1998.

7. That the Notification dated 05.03.1992 read with 07.12.1992 is to fix the inter se seniority between JE-I and Boiler controllers and not between promotee and recruitee Assistant Engineers, hence, review of the Notifications after 24 years without being challenged in any court of law may be reconsidered.

8. That in the order dated 07.12.1992, it has been clearly mentioned that the order will take effect from 05.03.1992, hence, implementing the order from 14.08.1998 may be reconsidered.

9. That in erstwhile HSEB, the promotions from amongst Boiler controllers were carried out vide ER. No. 249/EG-5 dated 11.05.1988 and No. 289/EG-5/GEN/DH dated 10.06.1988 by maintaining common seniority with JE-I but HSEB vide Memo No. Ch-8/EOM/G-281 dated 19.07.1990 circulated separate seniority list of JE-I and Boiler controllers and in the absence of any Regulation/Policy, the Boiler controllers were not considered for promotion to the post of Assistant Engineer till the Notification dated 05.03.1992, however, as many as 30 No. JE-I were promoted to the post of Assistant Engineer during this period ignoring the claim of those Boiler controllers, who were otherwise senior in common seniority list of JE-I and boiler controllers. The decision of the HPGCL to allow Notification

dated 05.03.1992 from 14.08.1998 instead of 05.03.1992 has deprived the category of Boiler controllers from promotion since 19.07.1990 to 14.08.1998, which will benefit the other category under 22.5% quota.

10. That the above Notifications have been issued under sectional 79 © of Indian Electricity Act by competent authority of HSEB in their own wisdom and the promotions of JE-1 and Boiler Controllers are still governed under these Notifications. Moreover, in the matter of Rajender Singh Redhu the Honb'le court has ordered for not making discrimination while making promotion to the post of Assistant Engineer as there is no cadre of Assistant, hence, the contention of order dated 12.04.2016 that the quota can not be allowed on all posts of AEs, is also required reconsideration.

In view of the above your good office is requested to reconsider the implementation of Notification vide order dated 05.03.1992 read with O/o dated 07.12.1992 and implement the order from 05.03.1992.

reasonable attitude by inflicting wasteful expenditure on the public exchequer. The grievance of my client is that an order no. 220/HPG-623 dated 24-03-15 has been passed by addressee authority no.3 reframing tentative seniority list of Assistant Engineers w.e.f 19-02-88 to 14-08-98 contending that the same has been framed based on available records and records as provided by HVPN, and also as per availability of quota post, ignoring the fact that erstwhile Haryana State Electricity Board had passed an order No. 65/EG-5/Gen/AMIE dated 04-02-91 (copy enclosed as Annexure-1) posting my client against the post of AE as a stop gap arrangement in his own pay scale with immediate effect. This order contained names of seven JE's who were given posting of the post of Assistant Engineer. Another order No.231/EG-5/AMIE/Gen dated 26-04-91 (copy enclosed as Annexure-2) was passed by the erstwhile Haryana State Electricity Board to the effect that my client who was officiating as AE consequent upon issuance office order No. 65/EG-5/Gen/AMIE dated 04-02-91 was given a regular posting of AE against the post already occupied by him. The name of my client appears at serial no .2 in the said order dated 26/04/1991. This order of promotion has been shown to have been made in terms of Regulation-9 (1) ( c) (ii) of the amended Regulation of PSEB Services of Engineers (Elect.) Recruitment Regulations, 1965 notified vide office order no. 21/REG-18 dated 19-02-88 read with notification no. 89 dated 13-02-91. My client was to undergo a probationary period of one year after his promotion as AE ordered vide order dated 26-04-91. The order dated 26-04-91, vide note appended at serial no.5 explicitly states that my client whose name appeared at serial no.2 in the list was given promotion against the share quota post of

MIE/BE Engineering subordinates. My client was further promoted as Assistant Executive Engineer by HPGCL vide office order no. 50/CE/ADMN dated 28-05-2003 (Annexure-3). His name appears at serial no. 14 in the list. My client was further promoted as Executive Engineer by HPGCL vide office order no. 118/HPG/GE-623 dated 23-03-2007 (Annexure-4). His name appears at serial no. 5 in the list. The addressee authorities are being given/served upon the present legal notice as all these authorities are concerned with this case. The office order dated 26-04-91 shows list of 7 no. Assistant Engineers and the Assistant Engineers on sr. no. 4 to 7 are working in UHBVN in the capacity of Xen. UHBVN had allowed S/Sh. Rajiv Anand (at sr. no. 4), Jagdish Sharma (at sr. no 5) and Surinder Makkar (at sr. no. 7) , the deemed date of promotion as Assistant Engineer (regular) since 18-12-91.

The seniority of my client as an Assistant Engineer could not legally be altered /disturbed by way of order dated 24-03-15 & 12-04-16. Now, an office order no. 680/HPG/GE-623 dated 08-07-16 has been passed by addressee authority no. 3 constituting a two tier committee to implement the office order no. 220/HPG/GE-623 dated 24-03-15 read with office order no. 321/HPG/GE 623 dated 12-04-16. The job entrusted to these two committees has been specified in the said order dated 08-07-16. A clear indication in the said order has been made that the committee will work out the details of those who would be issued show cause notice for reversion mentioned therein, present status of the officer, seniority in respective level before reversion, date of reversion at all levels and seniority in respective level after reversion. My client was promoted as Assistant Engineer (Regular) vide order dated 26-04-91 issued by

erstwhile Board against share quota post meant for AMIE/BE Engineering subordinates. Law does not permit addressee authority no.3 to change the seniority assigned to my client on the post of AE (Regular) by erstwhile Board through order dated 26-04-91 at this stage. Even otherwise, my client stood promoted as Assistant Executive Engineer in 2003 and Executive Engineer in 2007 by HPGCL. HPGCL cannot be allowed in law to take any action detrimental to the legal rights of my client. Principle of estoppel is attracted in this case which prevents HPGCL to take any action at this stage contrary to what was ordered in office order dated 04-02-91, 26-04-91, 28-05-2003 & 23-02-2007 HPGCL is estopped to take any action which nullifies the action already having been taken through these orders dated 04-02-91, 26-04-91, 28-05-2003 & 23-02-2007. The clock cannot be put back.

The addressee authorities, at the cost of repetition, are requested to take cognizance of the following aspects, to give justice to my client.

- 1) That taking cognizance of the merit, suitability and rank of my client in the seniority list of AMIE/BE Engineering Subordinates, my client was engaged as Assistant Engineer vide secretary HSEB office order no 65/EG-5/Gen/AMIE dated 04-02-91 and in consequence whereof he assumed the charge of the post of Assistant Engineer.
- 2) That again through an o/o no. 231/EG-5 /Gen dated 26-04-1991 my client was given proposed posting of Assistant Engineer (Regular) PTPS Panipat by erstwhile HSEB, against share quota post falling to the share of my client who was AMIE/BE Engineering Subordinate,

3) That my client was further promoted to the post of AEE & Xen as brought out above.

4) That now through order dated 24-03-15 and 12-04-16, the tentative list of AE's w.e.f 19-02-88 to 14-08-98 has been reframed. The Hon'ble High Court of Punjab & Haryana in 11 CWP's bearing no. 16330/2005, 9175 /2006, 11909/2006, 12099.2006, 16883/2006. 16898/2006, 17721/2008. 5300/2007. 8431/2007. 13409/2007 & 1593/2008, while disposing these writ petitions on 09-01-14 directed the authorities to act in terms of decision taken on 15-05-12 which was placed on record of court on 17-05-12 and also directed that let a fresh exercise be done to settle the right of the parties. The Hon'ble High Court cautioned that when making that exercise judgment passed in favour of respondents 3 to 17 and similarly situated other persons be kept in mind. The Hon'ble High Court further cautioned that when making above said exercise, decision taken on 15-09-2005 shall not effect right of the parties. The Hon'ble High Court ordered that the exercise shall be done within 5 months from the date of receipt of certified copy of this order and liberty shall remain with the parties not satisfied with the order to be passed to approach the court. Four more writ petitions bearing no. 10195/1993, 798/2007, 12395/1997 and 10168/2006 were also disposed of by Hon'ble High Court in terms of above order dated 09-01-14. My client is not a party in these 15 writ petitions. The orders dated 24-03-15 and 12-

04-16 passed by the addressee authorities on the directions dated 09-01-14 issued by Hon'ble High Court in 15 no. writ petitions should not have any legal impact on the legal rights of my client who has already been treated to be a regular Assistant Engineer w.e.f 26-04-91 vide office order no. 231/EG-5/AMIE/Gen by erstwhile HSEB on the ground that on this date share quota post of AMIE/BE Engineering Subordinate was available. HPGCL did not make an application to the High Court to implead my client as a party in this case.

5) That my client at present is working on the post of Executive Engineer who was allowed promotion to this post from the post of Assistant Executive Engineer (Electrical) by addressee authority no.3 through an office order no 118 dated 23-03-2007.

6) That even S/Sh. Rajiv Anand, Jagdish Sharma, Surinder Makkar who are presently working as Executive Engineer stand given by UHBVN the deemed date of Assistant Engineer (regular) since 18-12-91 but now seniority of my client as AE has been changed by way of order dated 24-03-15 and 12-04-16. My client was senior to the above mentioned officers as is evident from office order dated 26-04-91 issued by erstwhile Board.

7) That Hon'ble Supreme Court in the case of K.R.Mudgal Vs R.P.Singh reported in 1987 (1) SLJ 221 (SC) has held that a Govt. Servant who is appointed to any post, ordinarily

should at least after a period of 3 to 4 years after his appointment, be allowed to attend to his duties peacefully without any sense of insecurity. In this very case, my client who was promoted as AE Regular vide order dated 26-04-91 against share quota post meant for AMIE/BE Engineering subordinates is now being subjected to insecurity by intended change of seniority. The seniority at the level of AEE & Xen is also intended to be changed and the legal right of my client is intended to be invaded. The settled issues of seniority long back i.e in the year 91 at the level of AE, in the year 2003 at the level of AEE and in the year 2007 at the level of Xen cannot be upset by the addressee authority no.3 at this stage.

Nobody challenged the seniority assigned to my client at the level of AE, AEE & Xen.

8) Law does not permit the addressee authorities even to contend at this stage that a mistake was committed by erstwhile Board in promoting my client as AE (Regular) through order dated 26-04-91. Even if for argument sake it is taken that share quota was wrongly determined in 1991 by the Board (which is not so), the same remained unchallenged so far, seniority assigned to my client as AE in 1991 cannot be upset at this stage. The feeder post for promotion to the post of AEE and Xen is AE. The seniority is considered to be the property of an employee in service jurisprudence. So, no action can be taken against my client at this stage disturbing his seniority at the level of AE, AEE or Xen. Any adverse

action would be violation of fundamental as well as legal rights of my client.

9) That the cause of action has arisen in the favour of my client due to issuance of orders dated 24-03-15 & 12-04-16.

10) That my client seeks following relief from the addressee authorities

a) His seniority as an Assistant Engineer may not be disturbed from the position taken by erstwhile HSEB vide order dated 26-04-91.

b) The orders 24-03-15 & 12-04-16 may be held to be not applicable to him.

c) Office order no. 680/HPG/GE-623 dated 08-07-2016 may

not be held to be applicable to him.

d) No adverse action detrimental to his interest may be taken. His legal rights may not be infringed.

It is, therefore, requested that the claim of my client may be settled and no adverse action detrimental to his interest may be taken. His legally protected rights may not be infringed.
