Memo No. Ch-43/DMS/clarification

Dated: 17-6-2022

Subject: Clarification regarding reimbursement of injection thymoglobulin 25 Mg/5 ml. can be reimbursed instead of Inj. Simulect as written in the guidelines dated 14.7.2020.

Please refer to medical claim of Sh. Amit Singh Fireman (file bearing no HPG/ENG-M-2716) on the subject noted above.

A clarification has been sought from the office of Director/General Health Haryana Panchkula vide this office letter no. ch-75/SCM/Clarification dated 20.12.2021 and memo no. Ch-28/DMS/Clarification dated 6.4.2022, but no clarification has been received in this office so far on the subject cited above.

In this connection, it is intimated that the injection thymoglobulin 25 Mg/5 ml. and inj. Simulect as both are used for the same purpose i.e. immunosuppression in Renal transplant. As Simulect is reimbursable and if thymoglobulin is used in its place Simulect then same can be reimbursed. It is requested to take necessary action accordingly.
