Memo No. Ch-70 /GB/HPGC-534/ 7577

Dated: | 9 .05.2023

Subject:

Reduction in the tender processing time.

Enclosed please find herewith a copy of Note no. Chairman/2023/130 dated 12.05.2023 of Chairman, HPUs wherein it has been directed that the tender processing time from the date of floating of NIT to date of award should not be more than four months. In future, any tender which takes more than four months in processing, will not be considered for deliberation in the Utility Level as well as State Level High Powered Purchase Committee & delay in this regard will be attributable to the respective utility.

This is for information and taking immediate necessary action, please.

DA/As above.

Dy. Secy./Genl. for Chief Engineer/Admn. HPGCL, Panchkula.

Endst. No. Ch-70 /GB/ HPGC-534/ 7577

Dated: 19 .05.2023

A copy of the above is forwarded to XEN/IT, HPGCL, Panchkula. It is requested to host the above said memo on the website of HPGCL.

4. PS to Chief Engineer/Admn., HPGCL, Panchkula.

## OFFICE OF THE CHAIRMAN, HARYANA POWER UTILITIES

Note No. Chairman/2023/ 130

Subject:

Reduction in the tender processing time.

CE/Admin. /Fuel Proj E/Regulatory SE/Tech. XEN/Tech. Personal Assistant

It has been observed by me that the tender processing time in all the Power Utilities is too high due to which tenders are not awarded in scheduled time. Such delay in awarding the tenders hampers the commissioning of turnkey works and late supply of material affects the departmental works as well as timely restoration of power supply due to breakdowns.

I am of the view that the tender processing time from the date of floating of NIT to date of award should not be more than four months. In future, any tender which takes more than four months in processing, will not be considered for deliberation in the Utility Level as well as State Level High Powered Purchase Committee & delay in this regard will be attributable to the respective utility.

An immediate necessary action is required in this matter.

CEIRED

(P.K.Das) Chairman, HPUs
