EXPRESSION OF INTEREST (EOI)

**For Long-Term Sale of Dry Fly Ash through Auction and Linked Utilisation of Pond Ash
from RGTPP, Khedar**

Memo No. Ch-07/XEN/CMD-II(DFA)/2026-27/RGTPP/F-29

Dated: 07.10.2026

RGTPP, HPGCL proposes to explore a long-term arrangement for sale of Dry Fly Ash (DFA) through a transparent auction process. This EOI is being issued to obtain market inputs from cement manufacturers and fly ash / ash-based product manufacturers regarding the annual DFA quantity they can lift, the preferred tenure of the long-term arrangement and the indicative rate at which they would be willing to purchase DFA.

HPGCL is also planning to link utilisation of Pond Ash with the long-term DFA arrangement. The agency lifting DFA may also be offered Pond Ash (optional) from the RGTPP ash dyke on requirement basis and on an "as is where is" basis, subject to availability and applicable statutory requirements. Excavation / loading and transportation of Pond Ash shall be in the scope of the agency. The agency is requested to indicate the quantity of Pond Ash proposed to be lifted and whether it is willing to lift the same on chargeable basis, free of cost, or against some incentive in the form of rebate in the applicable DFA rate.

Information to be Furnished by Interested Agency

Sr. No.	Particular	Agency's Offer
1	Annual DFA quantity proposed to be lifted	_____ MT/year
2	Preferred long-term tenure for DFA arrangement	_____ years
3	Indicative DFA purchase rate	Rs. _____/MT (excluding applicable taxes)
4	Annual Pond Ash quantity proposed to be lifted along with the DFA allocation arrangement	_____ MT/year
5	Pond Ash quantity as percentage of DFA quantity	_____ % of DFA lifted
6	Pond Ash commercial option	Option A: Chargeable basis - Rate payable to HPGCL: Rs. _____/MT Option B: Free of cost, without any incentive / rebate Option C: Incentive in form of rebate in DFA rate

Pond Ash Commercial Options

Option A - Chargeable Basis: The agency may indicate the Pond Ash quantity it can lift and the rate in Rs./MT that it is willing to pay to HPGCL for such Pond Ash.

Option B - Free of Cost, Without Incentive: The agency may indicate the Pond Ash quantity it is willing to lift free of cost from RGTPP without seeking any incentive / rebate from HPGCL.

Option C - Incentive in the form of rebate in applicable DFA rate: If the agency requires commercial support for Pond Ash lifting, it may indicate/suggest the rebate in the applicable DFA rate against the Pond Ash quantity / percentage furnished at Sr. No. 4 and 5 under Point 2 above.

Important Conditions

1. The indicative DFA rate furnished under this EOI is only for market assessment. Final DFA allocation / sale, if undertaken, shall be through the approved transparent auction / disposal process.
2. The Pond Ash linkage is proposed to be considered along with the long-term DFA arrangement. Pond Ash may be made available to the DFA lifting agency on requirement basis, on an "as is where is" basis, subject to availability and applicable approvals / statutory requirements.
3. Excavation / loading, handling and transportation of Pond Ash from the ash dyke shall be arranged by the agency at its own responsibility and cost, unless otherwise specifically approved in the final mechanism.
4. For proposal of incentive in form of rebate, the agency shall furnish a quantity-linked offer by indicating the Pond Ash quantity, its equivalent percentage of DFA lifted and the rebate suggested in the applicable DFA rate in the table under Point 2 above.
5. Any rate, incentive or rebate indicated in this EOI shall be treated only as a market input and shall not become binding or payable unless separately approved by the competent authority and incorporated in the subsequent transparent contractual mechanism.
6. This EOI is exploratory in nature and shall not create any right to allocation, award, sale, incentive, rebate, subsidy or transportation support in favour of any respondent.
